SCIENTIFIC REVOLUTION: BASEBALL CARDS PROJECT

Instructions:

- Divide the following important scientists & philosophers equally among the group.
- Each person will be responsible for doing the research on their assigned person and determining the information to be included on the baseball card.
- Each group will receive a group grade that includes how well they were on task and worked together.

Cards:

Front On front of the card, put the name of the person in fairly large letters. Decorate the front to reflect the ideas of the ideas/philosophies of that person.

Back Divide the back into three sections: (must have minimum 6 items total, with at least 1 in each section)

- Major Achievements/Philosophies/Ideas
- Quotes
- Any Published Materials

Each member must have all 9 cards in their deck, but they are to use the research of the other members for the information. Accuracy, importance of facts chosen, and creativity will be part of your grade. See check list on the back.
